Dinner is a buffet style and will start promptly at 5:00 pm so please arrive at the designated check-in time. CDC Guidelines state if you are not vaccinated, it is recommended that you wear a mask at all times unless you are eating or drinking. Masks are optional for those that are vaccinated. We will inform you if these guidelines change. We are hoping the winter surge will be over by meeting time.

Three (3) hours of continuing education including pharmacology is pending by the Vision Professionals Board. No partial credit can be given. We look forward to your company, and hope you can join us.

Sincerely,

Elizabeth Muckley, O.D., F.A.A.O.

Director of Optometric Services, Northeast Ohio Eye Surgeons
